Memo

To:	U.S. Citizenship and Immigration Services	**CC:**	
From:	Mitchell Meilstrup		
Subject:	Verification of Assignment Duties of Bhargava Reddy Iragam Reddy joining on Temporary Professional .Net Developer Assignment at RYAN Companies.	**Date:**	March 26, 2019

To whom it may concern:

This email confirms that Bhargava Reddy Iragam Reddy, a full time .Net Developer of RitePros Inc., is working at our location address:

**Ryan Companies
533 S 3rd Street , Suite 100
Minneapolis, MN 55415
(612) 349-7502**

This assignment is expected be an ongoing one with possible multiple extensions on the **Ryan Companies** Information Services application development team using skill sets required that includes:

- Design and develop solutions to complex applications problems, system administration issues, or network concerns.
- Perform systems management and integration functions.
- Communicate with team members or clients to understand specific system requirements. Document design specifications, configuration instructions, and other system-related information.
- Verify stability, interoperability, portability, security, or scalability of system architecture.
- Experience with RESTful APIs; both implementing API endpoints and Consuming existing APIs.
- Experience with structured data formats such as XML and JSON
- Proficient in speedy and accurate coding of VB.Net, ASP.NET, TFS, MVC Framework 4.0 or higher, C#.
- Manage delivery to both the functional and non-functional requirements, including performance, scalability, availability, reliability and security.
- Managing a complex mixed environment of SQL 2008/12/14 and 2016 servers.
- Able to write highly maintainable code, complete with comments used to make the intent clear, meeting the deadlines of the iteration.
- Code, test, debug, document and implement software solutions.
- Proficient in accurately unit testing own work and accustomed to demoing often during iterations.
- Participate in code reviews with development team.
- Provide technical guidance or support for the development or troubleshooting of applications or

RYAN

systems. Identify system data, hardware, or software components required to meet user needs

- Communicate with team members or clients to understand specific system requirements. Document design specifications, configuration instructions, and other system-related information.
- Develop RESTful web services and integrations between custom website applications, content management systems and ecommerce platforms.
- Participate in all Agile ceremonies including the daily SCRUM. Additionally, lead collaborative sessions with other team members.
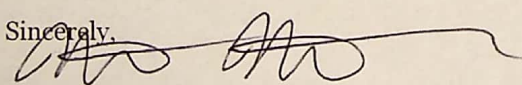

To accomplish these tasks, Bhargava Reddy Iragam Reddy will utilize the following skills and expertise required to perform these position duties: C#.Net 4.0/4.5, ASP.Net, JQuery, JavaScript, JSON, HTML, CSS, MVC, Web Services, WCF Services, SSRS, AngularJs, Karma, IIS 7.0, SQL, Angular, UI, Microsoft Visual Studio, Entity framework and SVN. Bhargava Reddy Iragam Reddy possesses an advanced degree required for the project duties and assessed by RitePros, Inc. as qualifying him for the assignment. Bhargava Reddy Iragam Reddy is not our employee so we do not pay the salary or provide employee benefits. Bhargava Reddy Iragam Reddy will be an employee of RitePros, Inc. assisting with **Ryan Companies** Information Services projects.

This is a long term special project with extensions to be negotiated as required to complete the projects duties, RitePros, Inc. will supervise and evaluate the work product and will be otherwise responsible for how the RitePros, Inc. employee work is completed in accordance with their contractual obligations.

Bhargava Reddy Iragam Reddy will be supervised by RitePros, Inc. Operations Manager, Manoj Pathaithodiyal, who can be reached at (866) 748-3411, in collaboration with our Director of IT Applications, Mitch Meilstrup who can be reached at 612.492.4871.

Ryan Companies is not Bhargava Reddy Iragam Reddy's employer. **Ryan Companies** does not have the right to assign him to a different work site or employer.

Sincerely,

3/26/19

Mitch Meilstrup
